

Declaration in Original Utility Patent Application

As the below-named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name; that I believe that I am the original, first and sole inventor of the utility patent entitled "Speech Coordinator" which is described and claimed in the attached specifications that:

I do not know and do not believe that the same was ever known or used in the United States of America before my invention thereof or patented or described in any printed publication in any country before my invention thereof, or more than one year prior to this application, or in publication or on sale in the United States of America more than one year prior to this application; that said patent has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than six months prior to this application: that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application, in accordance with 37 CFR 1.56(a); and that no application for patent or inventor's certificate on this patent has been filed by me or my legal representatives or assigns in any country foreign to the United States of America.

Furthermore, I declare that I have reviewed and understand the contents of the specification, including the claims and the drawings to which it refers.

All correspondence should be addressed to Mr. Emery C. Teichelman, 1800 Granger Road, Taylor, Texas 76574.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements

were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
